

# GDPR (General Data Protection Regulation)

The General Data Protection Regulation (GDPR) is an EU law, in effect from 25th May 2018, which replaces the Data Protection Act 1998.

We, as an Early Years Provider, have a commitment to comply with the GDPR and always uphold the principles of the GDPR. We are committed to ensuring the security and protection of the personal information that we process, and to provide a compliant and consistent approach to data protection. We will only take and store information that is legally required and Data is destroyed/deleted after the recommended timescale.

For information on our Full protection policy and what this means for you, please click on the link below;
